Knights of Columbus – Columbia Council #7559

Volume 2013, Issue 1

May/June 2013

Message from the Grand Knight

We or I must say Alan Pultyniewicz has finally done it! After many years and a number of false starts the Columbia Council finally has its newsletter back in circulation. We will be publishing both an electronic and paper version to make sure all our members receive our council updates. We will also have a Spanish edition. Our goal is to assure that all the men and specifically the brother knights in our Saint John’s community maintain a bond of fraternity and brotherhood through our charitable and spiritual work. Our newsletter and website (www.koccolumbiamd.org) will form the link that will keep our community informed, active, and together.

As we move forward during the next year we will increase our outreach to other parish activities, strengthen our internal organization and increase our activities as active new members come on board as brother knights. Our communications efforts, to include this newsletter, emails and our website will serve as a catalyst that will enable these program enhancements. Again, thanks to Alan and his communication team for all the work this past half-year in getting the website up and running again, establishing an email alert program and in resurrecting our newsletter.

Keep an eye out for updates and event notices as the best is yet to come!

Program Director Message

By: Sonny Van

As we are approaching the conclusion of the current fraternal year, I would like to take this opportunity to thank each and every one who has sacrificed their time and efforts in volunteering for the many activities throughout the past year. The Knight of Columbus, Columbia Council 7559, is better because of your unselfish participation. On behalf of the council, The Grand Knight and the other officers, thank you very much. May God bless and continue to give you strength and to fill your hearts with His love.

Next year I envision all of us working together in many little ways to help our brothers, parish, and community through the unity of many small measures that add up to significant help. To make this happen, please consider volunteering on a committee or perhaps chairing one of our standing committees focusing on church, youth, family, council, or life activities. Your much needed time and effort is vital to the activities of our council, and as Jesus said through John 13: 13-14 “You call me Teacher and Lord; and you are right, for so I am. If I then, your Lord and Teacher, have washed your feet, you also ought to wash one another’s feet.” This calling touches me deeply and I hope you feel the same. We shall follow our Master Jesus hoping to enrich ours and others lives.

In closing, I encourage us all to regularly get together during our social meetings and to deepen our faith through active participation in church and council activities. Let us all pray that the Holy Spirit guides us in spreading God’s love to others through the many ministries in our church, and our council and at the same time, create bonds of support among ourselves and one another. Vivat Jesus!

Mulch Sale 2013

By: Dr. Fred Gunther, PGK
Chairman, 2013 Mulch Fund Drive

On Saturday, April 13, 2013, The Columbia Council very successfully completed a Spring Fundraiser, for the benefit of the Council. After soliciting yard mulch orders by email, phone, postal mail and table at the weekend masses for parts of February and April, and all of March, 2 big truckloads of bagged mulch were delivered at 6 am to the eastern side of the Wilde Lake Parking Lot. The first load went out by small truck before 7 AM and all loads were distributed to customers by 1:30 PM.

The activity in the parking lot attracted the attention of passers-by, who added contact information for the 2014 Mulch Drive.

Many Brother Knights assisted with the work. Various knights worked long and hard with the solicitation of the orders, the bookkeeping of the orders and funds, the generation of travel maps for the use of the drivers, and the support of the workers with food and drink. Many brothers showed up Saturday morning, some with teen-aged sons, to load the mulch, to drive trucks and vans, and to unload the mulch at the customers' driveways. The work of so many Brother Knights contributed to the success of this Council Activity.
